

MATCH SPONSORSHIP

Match Sponsorship provides 10 guests with the ultimate VIP match day experience.

Before the game, enjoy a stadium tour and three-course meal in the CJ Bayley Lounge. Then, head down the players' tunnel and on to the pitch to have your photograph taken with the club captains and match officials before making your way to the Presidents seats, providing the very best views from the Lorne Street Stand. You and your guests will then get to decide the official Man of the Match and present the chosen player with their award in the Valiant Suite after the game.
